Summary

I have recently finished studying a Bachelor of Science, majoring in Computer Science at the University of Waikato. I have experience designing web sites, testing software, and am familiar with Node.js, C#, Java, HTML5, CSS, JS, Clojure, PHP and MySQL computer programing languages. I am also familiar with web development tools such as React JS, Electron and various CSS frameworks including Bootstrap, Foundation and Semantic UI.

Tertiary Education

I am waiting to graduate with a Bachelor of Science, majoring in Computer Science at Waikato University (2015-2018). I have passed the following relevant courses:

COMP103 – Introduction to Computer Science 1, COMP104 – Introduction to Computer Science 2,
COMP126 – Computing Media, COMP224 – Visual Design for Interactive Media,
COMP203 – Programming with Data Structures, COMP200 – Computer Systems,
COMP202 – Computer Communications, COMP204 – Object Orientated Program Design,
COMP233 – Internet Applications, COMP235 – Logic and Computation,
COMPX252 – Interactive Computing, COMP316 - Artificial Intelligence Techniques and Applications,
COMP333 – Web Applications Development, COMP336 – Graphics and Computer Games,
COMP314 - Software Engineering Project, COMP442 - Web Search: Technical and Social Issues.

Secondary Education

I attended Western Heights High School (WHHS) in Rotorua between 2010 and 2014 where I was a prefect and deputy house captain (2014). I also undertook the Cactus Programme in 2013 (leadership development).

Qualifications obtained at WHHS are:

- Excellence Endorsement Level 2 NCEA Western Heights High School (2013)
- Excellence Endorsement Level 3 NCEA Western Heights High School (2014)

Relevant Work Experience

I have primarily worked in design and web development, software development, data entry and analysis. Specific projects I have worked on can be found at www.jeremyshaw.co.nz/projects.

I also received an A+ in COMP314 where in groups of five you undertake a project from a real client in the industry. This involved making a communication and notification system between cameras and the Waikato police. To get a reference for this work please contact Peter Reutemann at +64 7 858 5174.
